Important medical information/ effective behavior management strategies in current classroom:

SJAWP wants to make the most out of the time we have with your child. To help us capitalize on our time this summer, please answer the following questions.

What are the titles of some of the books your child is currently reading?

What would be important for your child's teacher to know about your child's attitudes or interests in regards to learning in general and writing in particular?

What are your child's interests and hobbies outside of school?

How did you hear about us?
